Gary Wyman

Through the halls of C.H.S., the Senior Class of 1973 will walk their final steps toward success. We have a life time before us and we must make the most of it.

During our school years we faced good and bad times but were able to stand to face those bad times and we hope to do the same to that world ahead of us.

Our sports year went well, and we are proud of our Senior athletes, but now that we're leaving we hope the athletes coming up will fill in their positions and make their classes as proud of C.H.S. when they leave as we are. We leave you with peace and gratitude and wish you the good years we have all had.

SOMEDAY, SOMEWHERE, WE HAVE A LIFE TIME BEFORE US.

Smile!! You're On Candid Camera!

Yesterday is in the past. Tomorrow looks to the future. Today is now. The sophomores are looking to the future to make today better and to keep yesterday's memories alive.

They can look back on two years of high school gone-by and yet forward to see two more in the future. This year is considered a decisive one for the Class of "75" for it holds the pride of getting their class rings and the freedom of obtaining their driver's license.

The sophomores are indebted to their advisors, Mr. Raymond, Mrs. Bugarsky and Miss Jeri.

They are proud of the many acknowledged athletes from their class.

A last look to the sophomores, the Class of "75", shows them striving to make their last two years at C.H.S., the best!

Hi There

Two Sweet Petunias

The Freshmen class had a very exciting year. For Homecoming they took the responsibilities of wrapping the Victory V and decorating the cafeteria.

Their Homecoming representatives were Kenneth Westberg and Cheryl Gusick. They also had a play and two mini floats with the captions of "We'll make baby chicks out of the eagles", and, "Put them back in our shells."

Although this was their first year of high school, there will be more ahead of them that they will be looking forward to.

The Co-editors of the 1973 Les Adieux would like to thank all the students on the yearbook staff that cooperated and volunteered some of their time to make this yearbook a success.

One doesn't realize the worry, work, time, and effort which goes into producing a yearbook until one is involved in making a yearbook to the expectations of the hundreds of people who buy the Les Adieux. We agree though that it is a good experience and one to be remembered.

We hope that all students, especially the senior class, of 1973 will keep in mind their good years at C.H.S. For the seniors, this is their last Coleman High School yearbook. So we wish you luck in the future. We also give our best wishes and GOOD LUCK to the Les Adieux's next co-editors.

Above all else, there is one person who deserves much more credit than he ever gets. He had to "put up" with the co-editors, give his time, worry, hear gripes and griefs for the production of the yearbook. This person is Mr. Baumgart. Therefore this annual is dedicated to him with our thanks and appreciations for all he has done to help us produce this memory book.
